CORONA '78

Jim Moore

"I am young and strong
and living a great adventure."

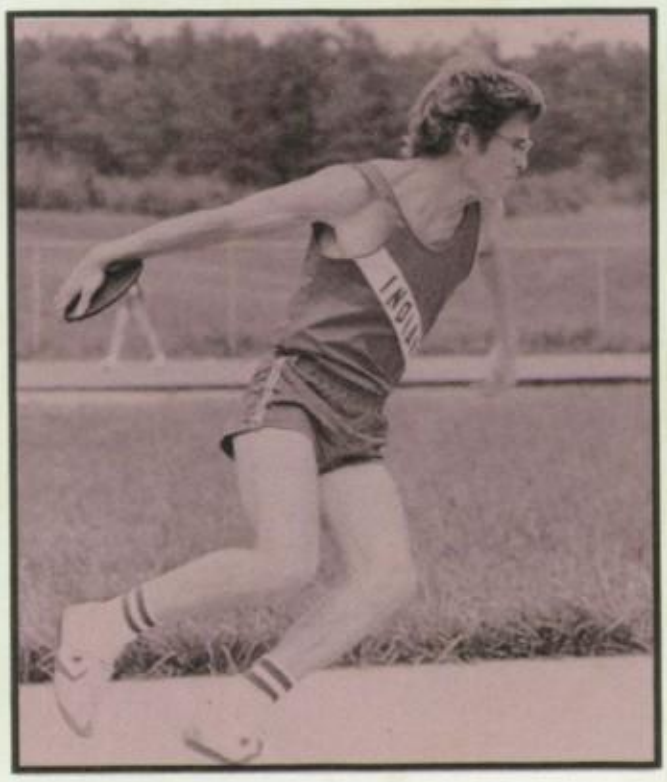
Corona 1978
Volume 34



It is a time for searching and striving. Our adventure begins as freshmen and ends on graduation night. It involves supporting the team, working hard, and making new friends. This period of striving is terminated in reward — whether it be a sports letter, pageant trophy, or just a diploma. This yearbook is our record of that adventure.

MR. WEBB MURRAY

Webb Alton Murray was many things to many different people . . . principal of St. Stephens Elementary and High School from 1948 to 1964 . . . principal of St. Stephens Elementary from 1964 to 1971 . . . active member of the Lions . . . his life emphasized his love for his profession, his family, his church, his God, and Duke University . . . No respecter of summer, he could always be found behind a lawnmower at the elementary school or his church . . . In 1976 the new Webb A. Murray School was dedicated in honor of the retired principal . . . His philosophy of education was "Every kid is entitled to everything he can get from school regardless of who he is" . . . We will all miss W. A. Murray, but, as a former student remarked on his death: "We are the better for having been touched by his ways."

IN ME

MRS. CHRISTINE MAUNEY

Mrs. Christine Mauney was an active member of both educational and religious communities . . . a life-long member of St. Andrew's Lutheran Church . . . English teacher . . . school librarian . . . teacher at Highland High, Claremont High, Sherrills Ford High, and St. Stephens . . . she retired from the school system in 1969 . . . CORONA Adviser . . . In fact, Mrs. Mauney gave the annual its present name when asked to think of a suitable new title for the LEADER. As a Latin teacher, she devised the name CORONA which means "crown." Since then, the CORONA has become the crowning point of each school year.

LISA GUTHRIE VISITS SWITZERLAND

F

G

Last summer I stayed in Switzerland for ten weeks. I lived with the Willy Dössegger family in Seon, a town in the northern part of Switzerland. The people there speak Swiss-German, a dialect of German.

When I first arrived in Switzerland, I stayed with the other AFS students in a language camp for a few days. We learned a little German and a lot about Switzerland. At the end of our orientation there, I met my family. They soon made me feel at home in their house.

During the summer, I went to the schools to visit. I didn't understand much of the language, but I enjoyed comparing notes on Swiss schools and American schools. My family and I traveled a lot during the summer throughout Switzerland. We hiked quite often, because Switzerland has miles and miles of hiking trails.

The climate this summer was nice and cool the whole time I was there. The best part about the weather was that sometimes when we made trips to the mountains, we played in the snow (in July!).

A TOUCH OF BRAZIL

Dear St. Stephens's Friends,

First I have to say thanks for everybody being so kind to me. This is a good year in my life, and I am learning many things about people and about myself.

There are not many differences between Brazilian culture and American culture. I am not surprised about the United States because the life in Brazil is very similiar to the American life.

I am happy with my American family. My mother and father are very nice to me, and I love them very much.

I am sure I will miss many people and many things when I leave the United States because I am learning to love this country, this state, this town, this school and especially my family and friends.

Sincerely,
Reinaldo

GIRLS VIE FOR CROWN

On the night of April 23, 1977, childhood dreams became reality for seventy-two young girls. However, out of these seventy-two, only one would achieve the ultimate dream. The event was the school's annual beauty pageant; the dream was to be chosen "Miss St. Stephens." This year's theme, "Thank Heaven For Little Girls," was enhanced by the stuffed animals each girl carried as she walked by the judges. The judges' long deliberation and the selection of ten finalists heightened the audience's anxiety. During this interlude the Murray School Cloggers and a group of young ballerinas provided entertainment. Everyone picked his favorite and the countdown began. First came the two runners-up; Melanie Martin and Joanie McNiel. Next came a silence and the announcement of a new Queen: Marty Drum, Miss St. Stephens 1977.

EAVESDROPPING ON "MORE THAN ME

For the third year in a row, members of the St. Stephens community left their homes to enjoy two hours of excellent theatrical entertainment. This year's production, "More Than Meets the Eye," opened on March 31, and ran for three days.

Under the guidance of Ms. Schenk and Ms. Wakefield, a number of interested students spent ten hours a week working on props and lines. The total time of preparations included six weeks.

All of these people put forth a tremendous effort toward the play's success; especially Melinda Houston and Susan Wieslar who served as Student and Technical Directors. Thanks to these people, "More Than Meets the Eye" received enthusiastic acceptance.

With the aid of numerous juniors, the St. Stephens gym miraculously transformed into a fantasy world of space and stars. The 1977 Junior-Senior Prom was a realm of "2001: A Space Odyssey." Juniors, seniors, and their guests entered this realm of fantasy through a magical flashing rocket. Once inside this world, guests danced to the music of "Fragile."

Numerous hours of preparation went into this extravagant affair. With the help of Mrs. McBride and the Junior class, this year's prom was a tremendous success. Thanks should also go to the ten sophomores who served as waiters and waitresses. These sophomores also provided entertainment to the music of "Star Trek."

However, the evening's climax came with the crowning of Donna Prestwood as Queen of the Prom.

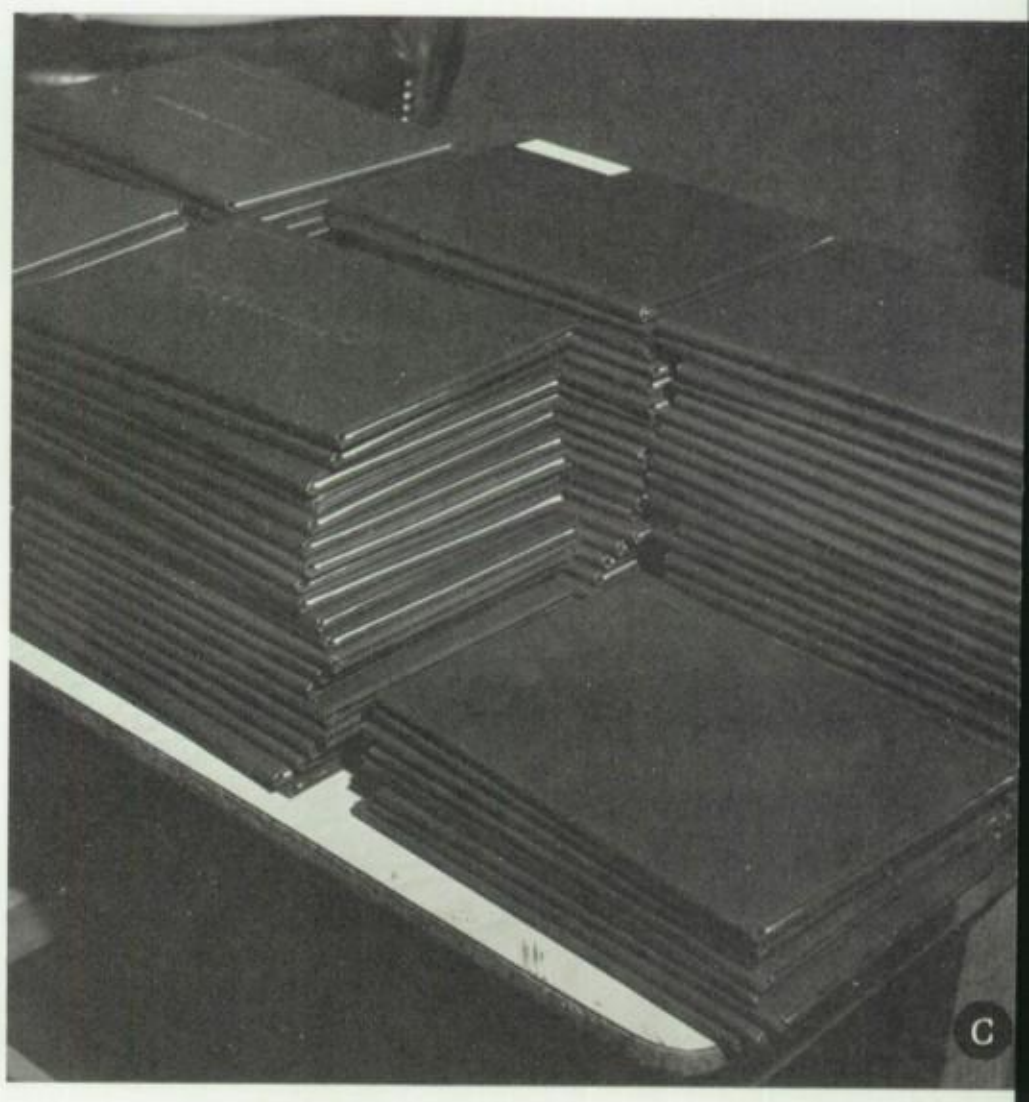
SENIORS GATHER FOR THE LAST TIME



The Senior class of 1977 said their final farewells to St. Stephens on June 7. The atmosphere of graduation night was a mixture of sadness and gaiety. The decorations, Carolina blue and white ribbons and yellow roses, livened this melancholy atmosphere. The Senior class motto, "We've Only Just Begun," symbolizes the true meaning of graduation. Graduation night marks the end of high school education; however, it also marks the beginning of a new education. Some will seek this education in the form of a college degree while others will find it in some type of employment.

To commemorate graduation and their senior year, the Senior chorus sang "I'll Always Remember." As a final remembrance, each girl received a yellow rose, the Senior flower, in addition to her diploma. Graduation night officially concluded with the playing of "Pomp and Circumstance," and the recession of the 1977 graduates.

Homecoming was more than just a football game this year; it was an entire week. The week included "Lick'em Day," "Stomp'em Day," and "Red and White Day." The three days included cheerleaders selling suckers for a nickel apiece, students wearing tennis shoes, and a day of people dressing in red and white.

Another activity was a Wednesday night bonfire and pep rally. Also, each class painted a goalpost sign and made a chain of paper — both events were won by the sophomore class. The week culminated with a game and dance. During halftime activities, Barbara Mackie was crowned Homecoming Queen.

WHO'S WHO — 1978

Kristy Lawing: *"So much is a man worth as he esteems himself."*

The ten students chosen for the "Who's Who" section represent the graduating class of 1977 who excel in academics, athletics and leadership. The "Who's Who" is selected by faculty members. Each member selects ten students he or she feels qualified in any of the three areas. A composite list is then made of the ten most selected students. After this, a quote is chosen for each student — the quote being representative of that person. These are the ten outstanding seniors of 1977.

St. Stephens Varsity Football Team end their '77-'78 season with a 4-6 record

The Varsity Football team had a good season despite its record of four wins and six losses. Coach Ed Tallman feels that this season's problem was bad breaks at crucial times. He also believes this team was the best-balanced St. Stephens has had; their biggest asset being togetherness.

The Varsity team was led by co-captains Wayne Long and Kevin Robinson. Next year's team will be minus many of its offensive players. The Varsity team also had three All-Conference players: Wayne Long, Danny Arrigo, and John McCloy.

VARSITY CHEERLEADERS

No one demonstrates school spirit more than our nine Varsity Cheerleaders. The squad consists of four seniors and five juniors.

This school spirit is seen in many areas off the field, also. This is evident in the many awards from the National Cheerleaders Association Camp. The squad received a rating of Excellent from the camp. They also brought back five blue ribbons, the "Spirit Stick," and the "Super Star Squad" ribbon.

Led by Joanie McNeil, the squad boosts school spirit through its many colorful posters and pep rallies.

Students Support Adult Chapter of AFS With Projects

The student American Field Service was established to support the St. Stephens's Adult AFS Chapter in their efforts to bring an exchange student to the community.

The student club helps to raise $700 to $800 a year, and find a family for the student to live with. However, this is only one aspect of the AFS program. The club also sponsors an Americans Abroad program which sends a St. Stephens's student abroad for a summer or a year if enough money is available.

H.O. Members Active In Community Projects

The Health Careers Club is organized to serve the needs of the community in any way possible. Its purpose is to promote involvement in current health care issues, environmental concerns, and survival needs in the community, the state, the nation, and the world. Club membership is open to anyone with a genuine interest in the field of health.

The club's purposes are demonstrated in its variety of activities: the Adopt-a-Grandparent program, a Thanksgiving dinner at the Flynn Home, and sponsoring the Bloodmobile.

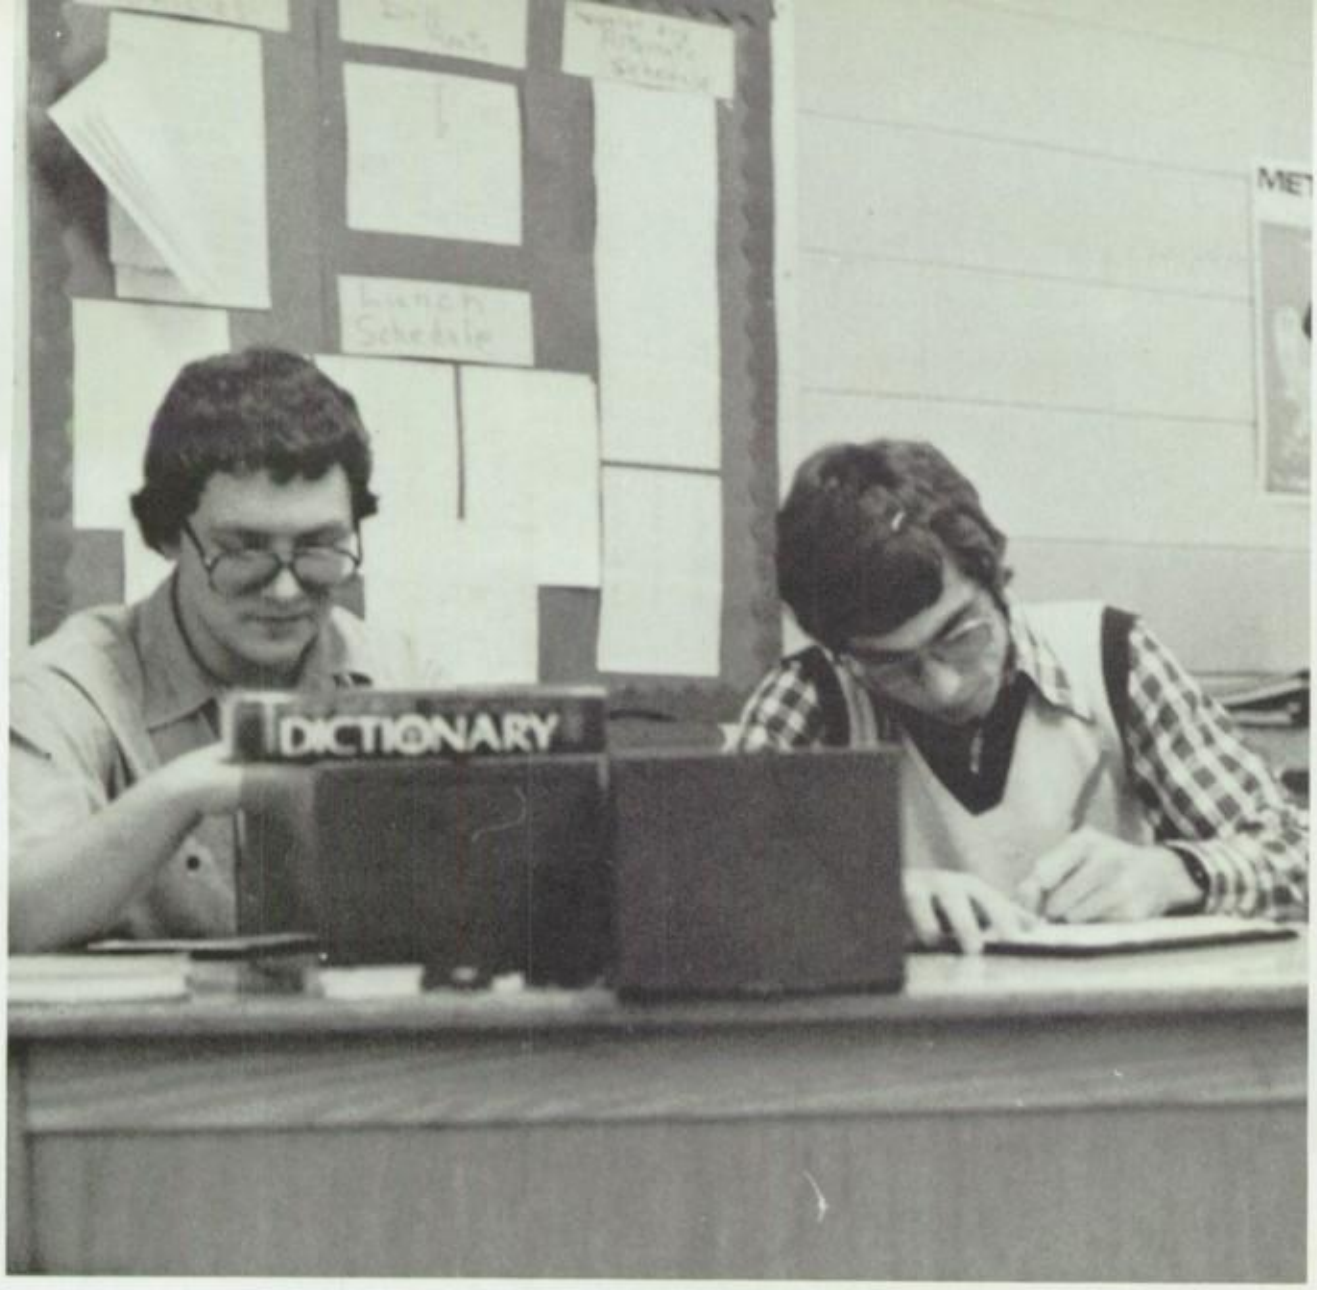
Their projects this year included viewing a dress rehearsal of the Community Theatre's production "Night Must Fall" and Lenoir Rhyne's production "Story Theater," assisting at Brian Center with their play "Mother Goose's Party," and working with Lenoir Rhyne students on two one-act plays.



This year the forensics team attempted something out of the ordinary—they sponsored their own debate tournament in January. They also attended several out-of-town debates including those at Wake Forest, Myers Park, and North Iredell.

During the year, team members learn how to speak in public and effectively organize thoughts. These theories are put to practice through debate, dramatic interpretation, original oratory, and extemporaneous speaking.

BUS DRIVERS

Twenty-eight of the school's one thousand forty-five students fight early morning hours, loud noises, bad weather, and traffic throughout the school year. These students are the bus drivers and substitutes.

There are thirteen regular drivers who each drive an average of twenty-five miles a week. Their routes extend throughout the county, and they transport students to and from H. M. Arndt and St. Stephens schools. They are also responsible for the buses' upkeep and mechanical condition.

DECA is just another name for the Distributive Education Clubs of America. DECA members are recognized by their emblem, which is worn by 75,000 distributive education students in the United States. The four points of the DECA Diamond symbolize vocational understanding, civic consciousness, social intelligence, and leadership development. The wrapped package in the center is symbolic of a job well done.

Each D.E. student works part-time in addition to the required school courses. Students also learn to work together in civic projects and social activities.

This year's projects include a Parliamentary Procedure workshop, a Christmas social, a State Leadership Conference in Raleigh, and a Employer-Employee Banquet.

VICA—ICT

The VICA Club is subdivided into several areas; one of which is the Industrial Cooperative Training program. The ICT Program is designed to assist St. Stephens's students in establishing realistic vocational goals. It also helps to develop the ability to work within the Democratic system. The club's many projects include a Haunted House, the Bosses' Banquet and Teacher Appreciation Day.

Ordering invitations, measuring for caps and gowns, making beach reservations—It is hard to believe that the school year is almost over. It is a time of sadness and celebration.

When I accepted this job, I had no idea of the responsibility I had undertaken. My year became a combination of frustration, sacrifice, and finally—relief!! The deadlines, copy sheets, photographs, and layouts are all worthwhile after the annuals have arrived.

Many people deserve recognition for their work with the **Corona:** *Mrs. Sylvia Hoke, editorial adviser, for her constant "pushing;" the Editorial Staff for their dedication; Ms. Carol Haines and the Business Staff; and Mr. Leon Lewis, Delmar representative.*

These people are responsible for the photography: Mr. James Yount, Mrs. S. Hoke, Mr. L. Hoke, Ms. D. Wakefield, Jimmy Peeler, and Melinda Houston. They have captured the true spirit of SSHS with their talents.

Shook Builders Supply and Peeler Hardware helped with the cover photograph. Also, I would like to thank Malcolm Reese for his help with the cover (and apologize for his speeding ticket!)

Again, I extend my appreciation to the Staff and Mrs. Hoke. Without their abilities, the **Corona** *could not exist. We have worked hard to preserve this year's memories in one volume—***Corona '78.**

I would like to thank the Business Staff for their support. I would also like to thank Mrs. Hoke and Mrs. Haines. Good luck next year!

The real adventure
has just begun . . .

Jim

Well its been over seven years since you and I started fuddying together and to go back write it all would take forever, and if I had a camera to remember it. It would probably be censored or put the National Enquiror out forever. But if I have taken the bad times and shut them out forever, and the good times which have been, a lot of them, and kept them forever. From the time of the Ace Girl Watching Club to the three years of the football team. these, I bet your NOS will never be forgotten. This time you and I are going our seperate ways. I hope you will remember me in twenty years cause I don't think you'll even know who I am. I mean with a wife and ten kids it may be confusing. But I am sure it will be all in fun I thank you for the six years of what was the most "inspirable" moments a guy could ever want to have.

Jim,
Well, we're finally seniors, Big Class of '78. I know everyone has given you a hard time this year, but just think what would all of the Senior class do if they didn't have you so pick on. It's been a fun year, having in all but 2 classes. I'm proud to know you and will never forget you! I admired you for taking so much pride in the team and did a great job. You're a very intelligent person, you made most of us feel so stupid compared to you. I wish you all the luck in the World! I know if you put your mind to it, you'll go far! Best wishes and don't forget all of us. We won't forget you!

Best Wishes,
Teresa

Jimmy,
I deem it unlucky that you won't be here for my Senior year. I understand that being a good manager is not very easy. I know that St. Stephens H.S. athletics will not be the same without you. I promise you a school record soon. You have added character and variety to every team we have been on. While I am still here, I wish you the best of luck always. Keep in good spirit! Keep on the right TRACK
